**RE: 2011 Back to School *Jump Off***

The Rocky Mount Police Department has again joined forces with area churches, community agencies, businesses and schools to host the 4th annual **Back to School *Jump Off*** that will be held on Friday, August 5th from 6:00-9:00 p.m. at the Rocky Mount Athletic Stadium. This faith-based event will feature entertainment, activities, and food, and will showcase community agencies and other area resources that are here to help youth be successful in school and in life. This event has drawn over 5000 youth and their families in each of the past three years and we anticipate a larger attendance this year.

Will you join us? We would like to invite your agency, school or business to participate by setting up a meet & greet tent, and/or a table display with information about your programs and services that are relevant to youth and families. Educational displays and tent sites need to be set up between noon and 3:00 pm. We will have security at the stadium, so you can leave your equipment and come back at the start of the event. We will need your site manned by 5:00 p.m. Please consider distributing school supplies and other give-aways from your display in order to help us meet the educational needs of the youth who attend this event.

**To register, complete the attached form and send back in no later than July 15th.** Please indicate on the form as to what type of display site you will need.
